COUNTY COMMISSIONER'S YEARLY REPORT

In compliance with the Laws of the State of New Hampshire, the Board of Hillsborough County Commissioners present their annual report with reports of the Treasurer, Clerk of Court, County Attorney, Sheriff, Jailer, County Home Superintendent, Moore General Hospital Superintendent, County Physician, Chaplains, and County Extension Service.

The County ended the fiscal year with a cash surplus of \$334.94. This was the result of a careful check on departmental expenditures thereby resulting in substantial appropriation balances and in spite of the fact that the overall revenues were considerably less than estimated.

As mentioned in the Farm and Hospital reports many repairs and improvements were made as well as the purchase of new equipment during the year 1963.

The Board of County Commissioners appreciate and wish to thank every organization for all the happiness and comfort given to inmates of the County Home and patients of the Moore General Hospital.

We also want to thank all County Officials, Superintendents of the Moore General Hospital and County Home and all County employees for their help and cooperation.

To all State Officials, the Board of Mayor and Aldermen of Manchester and Nashua and all City and Town Officials and all private and public agencies who have given us their cooperation and help, we are grateful and appreciate everything they have done.

HONORE E. BOUTHILLIER, *Chairman*

THEODORE R. LANGDELL, *Vice-Chairman*

GERMAIN P. DUPONT, *Clerk*

Hillsborough County Commissioners

REPORT OF MOORE GENERAL HOSPITAL

*To the Honorable Board of Commissioners of
Hillsborough County, New Hampshire:*

Gentlemen:

I am forwarding you herein my annual report of the Moore General Hospital for the year ending December 31, 1963.

As indicated in the report, the year 1963 saw many new improvements in the hospital and in the Caron Building. It also saw the installation of new and improved equipment required for our operation.

The East Wing of the hospital was completely renovated, private, semi-private rooms and bathrooms finished. Aid conditioning, humidifier and an infant resuscitator for the Delivery Room, these are a few of the many improvements in the year.

We want to thank the Zontas for their kindness in furnishing the Beauty Salon in the Caron Building, the patients are very happy with it.

This annual report would be inadequate if it failed to mention the numerous friends of the hospital who have contributed their time and efforts in attending to the welfare of the patients and advancing the interest of our staff and students.

Demanding special recognition are the members of the Moore General Hospital Associates who have spent a great deal of their time bringing warmth and comfort to the patient, also to thank them for the beautiful room they furnished.

Another lovely room was furnished by the Licensed Practical Nurses Alumni, our thanks to the members.

On behalf of the Staff and myself I wish to express our deep appreciation to the County Commissioners, the doctors on the Medical and Surgical Staff, to Mr. Bouchard, Superintendent of the County Farm, to the visiting Clergy, and to the employees of the hospital whose joint efforts made the success of the hospital possible.

Respectfully submitted,

MARION G. LAMY,
Superintendent.

COUNTY PHYSICIAN'S REPORT

*To the Honorable Board of Commissioners,
Hillsborough County, State of New Hampshire:*

Gentlemen:

Please accept this letter as my report for the year 1963.

As planned three years ago, the Moore General Hospital has opened its remodeled wing and the value of a modern, well-equipped ward is apparent to all who work at the hospital and to all the patients there.

The office at the court house has been busier than ever and we have seen more children there this past year. This gives us a chance to perform more routine physicals and assures that the county charges are well taken care of in foster homes.

Respectfully submitted,

JEAN N. LECLERC, M.D.,
County Physician.

PROTESTANT CHAPLAIN'S REPORT

December 31, 1963.

*To the Honorable Board of Commissioners
Hillsborough County:*

Gentlemen:

As Protestant Chaplain of the County Home and Moore General Hospital it gives me pleasure to submit the following report:

An Evening Vesper Service has been instituted in the past year with good and regular attendance by many. On special occasions, such as Easter, film strips have been enjoyed in the services. A regular visitation program has been carried on throughout the year with many moments of time used for spiritual guidance and a word of cheer. Reading materials have been made available to those desiring it.

I wish to express my appreciation to both Supt. Bouchard of the County Home and Supt. Lamy of the Moore General Hospital and to their staffs for their fine cooperation and making the work both rewarding and pleasurable.

Respectfully submitted,

REV. DONALD G. BENTLEY,
Protestant Chaplain.

CATHOLIC CHAPLAIN'S REPORT

December 31, 1963.

*To the Honorable Board of Commissioners
Hillsborough County:*

Gentlemen:

During the past year every effort has been made to provide those of the Catholic faith with the same services which would be available to them were they in their own parishes.

Each Sunday morning and Holy Days of obligation the Holy Sacrifice of the Mass is offered at eight o'clock. At these services, Mr. Howard Williamson plays the organ. Confessions are heard every Saturday and the days before Holy Days and First Fridays. Rosary Beads, Prayer Books, Medals, and religious reading material are given to those who request same.

In addition to these religious services, the Chaplain makes himself available for consultation and advice, settling family troubles, and performing other acts of mercy. Holy Communion is distributed regularly to those unable to attend services in Chapel.

The wonderful cooperation and courtesy extended by the Superintendent of the County Home, Mr. Bouchard and the Hospital Administrator, Mrs. Marion Lamy have been important factors to the success of our spiritual ministrations at these institutions. No report would be complete without an expression of appreciation to the entire personal for their helpful cooperation as we ministered to the spiritual needs of all.

Respectfully submitted,

REV. ALBERT G. BAILLARGEON,
R. C. Chaplain.

SUPERINTENDENT'S REPORT

*To the Honorable Board of Commissioners,
Hillsborough County:*

GENTLEMEN:

It is with great pleasure that I submit a report to you of the work accomplished from the time I started here as Superintendent of the Home and Farm, namely; June 3, 1963.

Many changes have been made in our Administration Building, such as wall panelling in main office and Supt's. office, both Dining Rooms and hallway. Some rooms were papered and eleven rooms were painted and in three rooms, new ceilings were installed. Also two porches of this building were repaired.

In the main buildings, we painted all rooms in 4A and 4B and a new ceiling was installed in Ward 4-B Dormitory. A new cement floor was made at entrance to Ward 4 and Caron Building.

In Women's Ward 3, a new ceiling was installed and a general Paint job done in this room. A number of windows were repaired and replaced in Wards 1 and 2. A new ceiling was installed and walls painted in Men's Recreation Room. We had all hallways to tunnel painted.

New doors were installed in Laundry. A new Grain Shed was built and we changed the old Silo to a sawdust storage. We also had built a new addition between Silo and Dairy Barn; repaired cement floor in Milk Room and rebuilt four door jambs in Dairy Barn.

A new roof was made on Piggery and general repairs made on doors, windows, etc. of this building.

General repairs and maintenance work was made throughout all buildings where needed.

In the Boiler Room we have plans for two new boilers to be installed and in fact, at the end of this year, one boiler is already installed and running in satisfactory condition. We are looking forward to the two boilers being installed and in working order before the end of year 1964.

We realize other items will come up from time to time, in the way of repairs and general equipment and we hope to be able to take care of them promptly.

At this time, I would like to express my grateful appreciation to the County Commissioners, members of the County Delegation and Executive Committee for their full cooperation during my seven months here.

Also I wish to thank all members of our Organization, our Chaplains, Physician and everyone in any way who has helped to carry out our program of improvements.

To the Hillsborough County Guild members who have made our elderly people very happy with socials, card parties and afternoon teas, we are sincerely grateful to them, and to all Fraternal and Civic Organizations that have been so kind to our elderly men and women throughout the year, we extend our heartfelt appreciation.

Respectfully submitted,

THOMAS L. BOUCHARD,
Superintendent.

REPORT OF THE HILLSBOROUGH COUNTY COOPERATIVE EXTENSION SERVICE

*To the Hillsborough County Board of Commissioners:
Gentlemen:*

It is my pleasure to submit a report on the activities of the Hillsborough County Cooperative Extension Service for the year 1963. A detailed Annual Report covering each line of work is on file in the County Commissioner's Office in Manchester, the Extension Service Director's Office in Manchester, and the County Extension Office in Milford.

The Extension Agents in the County are supervised by the County Extension Council. This Council is made up of thirteen people with each phase of Extension work represented. Harold Byam of Hillsborough was Chairman of the Council in 1963.

Agents work in four areas — Agriculture, Home Economics, Forestry and 4-H Youth Work. Summary of each line of work follows:

Agriculture

Perley Colby and Ernest George (8/10 time). The backbone of the Agricultural Extension Program is still working with the Commercial Farmers which in Hillsborough County number about 600. There has been a decline in the number of farmers, but as the numbers decline the size of the farms remaining, increase in size and farmers problems increase in size, and complexity and they are in need of more precise information as a single error in judgment by the farmer could result in losses amounting to thousands of dollars. During the year, 405 farm or home visits were made by the Agricultural Agents; 292 other individuals came to the office for in-

formation; 1505 telephone calls were made or received by the Agricultural Agents; 2306 bulletins were distributed; 154 newspaper articles written and 90 meetings were held with 3741 in attendance.

Much time is spent on other projects not necessarily connected with agriculture. These include such things as R.A.D., Rural Civil Defense, Home Gardening activities, I.F.Y.E., etc.

4-H Club Program

Charles Buck and Josephine S. Stearns. This youth program that serves Hillsborough County is equal to other areas within the state and certainly excels in certain areas. The staff is continually looking for ways to improve the program and reach more potential members and secure the highest caliber adult leaders. More time and effort is now expended in working with urban and suburban people. The greatest trend this year was the increase in 4-H Horsemanship projects and activities. This project enrolls both boys and girls as well as horses and ponies. The home making projects continue to enthuse the younger girls who really want to learn to sew or cook. The younger boys show great interest in shop and animal projects. At the present time, there are only two towns in the county that do not have a 4-H Club Program. The 4-H Club Program will triple in size as soon as we find the secret of how to get the urban people to accept it. The staff has plans to promote urban work, but as yet has met with great resistance. However, in general, the future for the 4-H Club Program in this country looks brighter than it has for many years. We are hoping to increase our membership as we did this year by some 14%.

Home Economics

Extension Staff Members, Harriet J. Nissen and Mrs. Winnifred McLaughlin (1½ time).

The aim of the Adult Home Economics Program is to bring to homemakers of the county, up to date information regarding problems of the home and family.

The aim has been and is being met by teaching classes to homemakers in the county.

Teaching Methods —

1. The Extension Home Economists teaches classes to groups of homemakers throughout the county.
2. The Extension Home Economists and or Specialists of the University train leaders from the different Extension Groups to teach projects to the people of local Extension Groups.

The following homemaking subjects were taught during the years 1962-1963:

1. New Hampshire's Milk Supply understanding and use of.
2. Care and Use of Frozen Foods.
3. Buying Medical Care for the Family.
4. Better Home Grounds.
5. Human Relations, (Our Human Needs, and Growing Through Play).
6. Highway Safety.
7. Buying and Care of Textiles.
8. Good Design in Home Furnishing and Choosing Accessories for the home.
9. Rug Braiding taught by N. H. League of Arts and Crafts.
10. Refinishing Furniture taught by the N. H. League of Arts and Crafts.
11. Chair Caning.

12. Clothing Construction, dressmaking and tailoring.

13. Reupholstering.

In the Adult Program 414 meetings were held with 4699 attending.

A meeting of the Executive Committee was held at the County Home and Farm on Thursday, July 18, 1963 at 4:30 p. m. for approval of the Mid-Year Report, also to discuss an additional appropriation for the installation of the new boilers at the County Home and Farm.

The Chairman Rep. John J. Kearns presided.

Members present: Reps. Cooper, Wiggin, Dionne, Hambleton, Kearns and Pettigrew. Also present: the County Commissioners, Supt. Thomas Bouchard, Asst. Supt. George Hurley and consultant R. Morin.

The Chairman stated that an extra appropriation was needed for the installation of the new boilers and called upon the Commissioners for an explanation who in turn called upon Mr. Morin.

Mr. Morin told the committee that the amount appropriated was insufficient to complete the installation and stated that new pumps, piping and electrical equipment would have to be replaced to make the installation satisfactory, the extra cost including the consultant's fees would be approximately \$36,000.00 making the total cost approximately \$79,000.00 for which \$43,000.00 was appropriated.

After much questioning by the members Rep. Hambleton moved and seconded by Rep. Cooper that the Executive Committee give the Commissioners approval to award the contract for the complete installation of the boilers to the R. E. Peabody Co. at the bid price of \$74,909.00.

It was the opinion of the members that an additional appropriation would be unnecessary at this time as funds could be transferred from other departments.

The Chairman gave a report on the erection of a new Court House at Manchester and told the members that the present structure was inadequate for trials due to the lack of space. He suggested that a new Court House could be built at the Valley Street location that is owned by the County. He was of the opinion that the City of Manchester might be interested in acquiring the present Court House as they were cramped for space. He also stated that the Register of Deeds, Register of Probate and the Law Library remain in Nashua.

Atty. Clancy spoke in favor of retaining the Court House in Nashua but stated that additions would have to be made due to the lack of space. He was of the opinion that the old Post Office could be acquired.

Atty. Roche from Manchester said his committee would go along with one Court House located in Manchester, Bedford or Merrimack.

Associate Justices Grimes and Griffith said the present quarters were inadequate and if a new Court House

was constructed it should have three or four Court Rooms plus additional space for all the personnel.

The Nashua Delegation, Attys. Clancy and Pelletier were of the opinion when questioned that if they retained the present Court House, Register of Deeds, Register of Probate and the Law Library, they would be in favor of a Court House in Manchester and that the Clerk of Superior Court have his headquarters in Manchester.
